About

UNIONMETAL sh.p.k. vuole rappresentare un punto di riferimento a livello europeo per la produzione di portapacchi e accessori. L'azienda ha l'obiettivo di fornire ai propri clienti un prodotto di qualità, frutto di esperienza e moderne tecnologie, ad un prezzo decisamente concorrenziale, tenendo in considerazione le singole necessità e richieste dei clienti.

UNIONMETAL sh.p.k. wants to become a reference point at European level for the production of bike carriers and accessories. The company aim is supplying its customers with a quality product, the result of experience and modern technologies, at a very competitive price, taking into consideration the individual needs and special requests of customers.

Vlore
-Albania-

1946

Grazie alla passione per la bicicletta Mario fonda la ZANCHETTA, con la sua produzione artigianale di accessori per cicli.

Thanks to his passion for cycling, Mario founded ZANCHETTA, with its handmade production of accessories for bikes.

1975

Gregorio porta avanti l'impegno del padre sviluppando nuove idee di design focalizzandosi sui portapacchi e rendendo l'azienda un punto di riferimento del settore a livello nazionale.

Gregorio continues his father's commitment by developing new design ideas, focusing on carriers and making the company a reference point on a national level.

2008

Andrea prende il timone dell'azienda; eredita la manualità dal nonno Mario, e dal padre Gregorio la passione e le idee creative che sviluppa con le nuove tecnologie in 3D.

Andrea takes the helm of the company; he inherits the dexterity from the grandfather Mario, and from the father Gregorio the passion and the creative ideas that develops with the help of new technologies in 3D.

2017

Delocalizzazione della produzione in Albania (Vlore) con un investimento da parte di UNIONMETAL acquista e modernizza gli impianti di produzione. La forza lavoro albanese è monitorata e formata da tecnici italiani qualificati e costantemente presenti sul posto.

Delocalization of production in Albania (Vlore) with an investment by UNIONMETAL which modernized production plants. The Albanian work-force is continuously monitored and trained by qualified Italian technicians who are constantly present on site.
